## CHIEF COMPLAINT

---

"migraine flare" + dizziness + chest tightness intermittently

---

## HISTORY OF PRESENT ILLNESS

---

Pt is a 29 yo F presenting on 03/21/2024 with headache for 2 days.  
Pain begins behind R eye, throbbing, +photophobia.  
She states she ran out of topiramate "a few wks ago" due to insurance issues.  
Reports dizziness at work yesterday while lifting boxes.

She works at McArthur Shipping Co. (warehouse shift). Reports high stress.  
Denies syncope. No focal weakness or speech changes.  
One episode N/V this AM (3-21-24).

Pt also notes intermittent chest pressure for ~2 weeks, worse w/ exertion.  
She denies palpitations. No LE swelling. No known hx DVT/PE.

She notes she lived in CA until 2017 and previously received care at:  
Redwood Neurology Center  
1200 El Camino Real, Redwood City CA  
(Old records list this address; patient unsure if still correct.)

Pt traveled internationally recently (reports "Spain + Netherlands") for vacation,  
returned approx 2/28/24. Also mentions family background includes Czech ancestry  
on father's side. (Father immigrated from Poland in early 1990s.)

---

## REVIEW OF SYSTEMS

---

+ headache  
+ nausea/vomiting  
+ photophobia  
- fever/chills  
- cough  
- SOB at rest  
- dysuria  
- rash

---

## PAST MEDICAL HISTORY

---

Migraine disorder  
Asthma (mild intermittent)  
HTN (borderline)  
Hyperlipidemia  
Anxiety

Prior hospitalizations: none known  
Surgical hx: appendectomy (2010)

ALLERGIES: NKDA per pt  
MEDS (per pt; inconsistent compliance):

- topiramate 25mg BID (ran out)
- albuterol inhaler PRN
- lisinopril 10mg daily
- atorvastatin 20mg qhs

---

## SOCIAL HISTORY

---

Lives w/ spouse. Denies tobacco. Occ ETOH.  
No illicit substances.  
Employment: McArthur Shipping Co. (warehouse)  
Insurance: BlueCross of IL (pt unsure of policy #)

Pt prefers morning appts; works nights occasionally.

---

Father: deceased, hx "stroke" per pt  
Sibling: sister Anne McKinly (see contact above)

---

## PHYSICAL EXAM

---

Vitals:  
T 98.2 HR 102 BP 151/92 RR 18 SpO2 99% RA  
GEN: alert, anxious  
HEENT: PERRL, mild photophobia  
CV: tachycardic, reg rhythm  
RESP: CTA bilat

NEURO: AOx3, CN2-12 intact, no drift, gait slightly unsteady

---

#### ED COURSE / MEDICAL DECISION MAKING

---

Given migraine cocktail: fluids + metoclopramide + ketorolac.  
Pt improved significantly after tx.

EKG: sinus tachy, no ST elevation.

CXR: negative.

Troponin: negative.

Consider PE given travel hx; D-dimer obtained.

---

#### LAB RESULTS

---

Specimen ID: L-998211

Collection date: 2024.03.21 22:10

Result date: 2024-03-22

CBC: WNL

BMP: WNL

D-dimer: 0.42 (neg)

hCG: negative

---

#### IMAGING

---

CT Head w/o contrast

Study date: 2024-02-17 (outside prior) — stable

Today's study date: 03/21/24

IMPRESSION: no acute intracranial hemorrhage. chronic microvascular changes.

---

#### NEUROLOGY CONSULT NOTE

---

Consult requested by ED provider at 23:40.

Consultant: Rebecca Wong MD

Assistant: J. Nguyen PA-C

Assessment:

Chronic migraine w/ medication nonadherence.

No red flags. Normal neuro exam.

Plan:

1. Restart topiramate 25mg BID; increase to 50mg BID in 7 days if tolerated.
2. Add sumatriptan 50mg PRN for severe headaches (max 2 doses/24h).
3. Encourage hydration, sleep hygiene.
4. Follow up in clinic.

Follow-up arranged:

South Loop Immediate Care / Neurology clinic

Call 312.555.7766 for scheduling

Pt requests FMLA paperwork; advise PCP.

---

## DISCHARGE SUMMARY

---

Discharge date: 3-22-24

Disposition: home

### DIAGNOSES:

- Migraine exacerbation
- Anxiety
- Chest tightness, likely non-cardiac

### FOLLOW UP:

PCP: Dr. S. Patel (Northside Pulmonology listed in chart; verify PCP)

Neurology in 4-6 weeks

### DISCHARGE CONTACT INFO:

Return precautions given. Patient understands.

Signed:

S. Patel, MD (electronically signed)

Faxed summary to: 847 555 4021

---

## NOTES / ADDENDUM

---

Pt requested results be emailed due to difficulty accessing portal:

jlee94 @ yahoo.com

Spouse requested call for updates:

217.555.0198

Case mgr note:

Pt has outstanding balance; referred to billing office.
